**Recommendations**

Please include a recommendation letter from one of your teachers

**Self Portrait:**

Instead of asking you to write a personal essay, we are requiring that you submit a Self-Portrait as part of your application. You may use any medium or art-form; for example, a verbal Self-Portrait might be an essay, a letter or play, or a poem. You might wish to do a painting, drawing, sculpture, or textile. You can record your voice or make a video. Have fun with it, but make sure you tell us what you think we should know about you!

**School Work Sample:**

Please submit a piece of academic work from the current calendar year of which you are particularly proud. You might choose a report, a science experiment, or a main lesson book. Don't worry if there are teacher's comments on it --- we would like to see them.

Important note: If you wish to have your Self-Portrait and/or your Work Sample returned to you, please make arrangements to pick them up from the high school office.

NAIS member schools are asked to maintain complete records of the composition of their student body, faculty, and staff by gender and ethnic group. For statistical purposes, please mark the ethnic group with which you identify. You may add as much detailed information as you wish:

- African/African American Native American
- Asian/Asian American Pacific Islander
- Caucasian Multiracial (please specify ethnic groups)
- Latino/Hispanic
